Cities Alive
Designing for urban childhoods
Matthew Dillon, 4 October 2017
What works for children can work for everybody

“Children are a kind of indicator species. If we can build a successful city for children, we will have a successful city for all people.”

– Enrique Peñalosa, Mayor of Bogotá
Benefits
Benefits
What does child-friendly look like?
Good practice: Superblocks, Barcelona
Getting there:
- design-in solutions
- engage with the community
- articulate the wider benefits
Simple solutions
Cities Alive

Designing for urban childhoods
