Our Mission

We work to keep all kids safe from preventable injuries
Our Global Network
The Safe Kids Worldwide network is currently comprised of organizations representing all regions of the world. Network members work to prevent unintentional childhood injury in their countries.

Safe Kids Worldwide has members and associates in over 30 countries.
A grassroots collaboration of individuals and organizations supported by a “lead agency” in a community that conducts multifaceted childhood injury prevention efforts.

Safe Kids Worldwide has over 400 coalitions in the United States.
